

Welcome!

Thank you for volunteering with Reins of Hope (ROH)! We are very glad to see you! Volunteers are critical to the success of ROH. We rely on you as a vital asset to the quality and safety of our program. It is very exciting to watch riders develop their riding skills and become physically stronger over time, while achieving improved self-esteem and confidence.

We hope your experience here is educational and empowering.

ROH will bring you satisfaction, personal growth and fulfillment. Your spirit of volunteerism and gift of valuable time is so important. “Thank you” is just not enough to express our appreciation!

We welcome you as a member of the team. Please do not hesitate to share your opinions and questions with us, to help our volunteer program be an enriching experience for everyone.
